

ARE YOU ENROLLED IN CONSTRUCTION-RELATED CLASSES?

\$10K in Scholarships Available Through **BYF/NTHS** Scholarship

Apply Today - Application Closes March 1

The Build Your Future (BYF)/NTHS Scholarship is available to members enrolled in a construction-related CTE area of study who plan to pursue a career in a construction-related discipline. In collaboration with NCCER and its BYF initiative, NTHS annually awards **five \$2000 scholarships** to eligible students.

Who should apply? High School Seniors and/or NTHS Post-Secondary Members enrolled in a construction-related CTE Area of Study.

When is the application due?

The deadline to apply for the BYF/NTHS Scholarship is March 1, 2023. Don't miss out on this amazing opportunity. Apply today and take the first step towards a successful career in the construction industry.

How do I apply? [Log into the NTHS Website](#) and click on the [scholarship tile](#).

[Apply Now](#)

This is a great opportunity for those of you who are interested in a career in the construction industry. Not only will this scholarship help to cover the cost of your education, but it will also demonstrate to potential employers that you are dedicated to your chosen field.

If you have any questions about the scholarship or the application process, please feel free to contact [Allison Upchurch](#) or visit the [NTHS website](#) for more information.
